

How to join the MyWeddingWorkbook.com and MyWeddingWorkbookPro.com Affiliate Program

If you run a wedding-related website, you can quickly start generating more revenues by becoming an Affiliate of MyWeddingWorkbook.com and MyWeddingWorkbookPro.com. It only takes a few minutes to sign up, and our program offers:

- Generous commissions
- Affiliate-friendly policies
- Easy-to-use tools
- Simple payment process

How It Works

You can choose from a variety of banner and text ads ("Creatives") to display on your Web site's pages. When one of your site visitors clicks on one of these ads, they are taken to our corresponding site. If a visitor makes a purchase on MyWeddingWorkbook.com within 90 days of clicking on the ad, you are paid a commission for the sale. If a visitor registers for a free trial on MyWeddingWorkbookPro.com within 90 days of clicking on the ad, you are paid a commission for the lead.*

First, Become an Affiliate

1. We partner with Bridaluxe, the premier affiliate network for the wedding industry, to provide our Affiliate Program. To sign up, go to <http://www.bridaluxe.com/publishers> and fill out the online form there to become an Affiliate/Publisher.

Second, Place Our Ads on Your Site

1. When your account is activated, log into your account at Bridaluxe (<http://publisher.bridaluxe.com/login>), click on the "Tools" link and then click on the "Banners" button (Home > Tools > Banners).
2. Find My Wedding Workbook or My Wedding Workbook Pro listed under the "Advertiser" pull-down menu and click on the "Search" button. Here you can choose from a variety of styles and sizes of ads. Simply grab the code of the ad(s) you want by clicking on the "Get Code" link and cutting-and-pasting the code into the designated area(s) on your site where you want the ad to appear.

That's it. You can track all your Affiliate Program activity via your account on the Bridaluxe site.
